

Therapist/Clinician

STOP Adult Programme – Christchurch

STOP is a specialist provider of high quality community-based treatment programmes that make a difference in the lives of families affected by sexual abuse and successfully reduces sexual re-offending.

STOP is recruiting a highly motivated professional to work therapeutically with adults who have sexually abused and with their families. The successful candidate will have:

- experience and skills in therapeutic work with adults
- qualification in Psychology, Social Work, Counseling or equivalent
- an ability to work collaboratively in a multi-disciplinary team
- experience of working in the area of sexual abuse and working from a systems perspective is preferable

STOP has achieved a reputation for supportive staff development through high quality supervision and training opportunities and a positive and professionally stimulating work environment for employees.

Specialist training will be provided to the successful candidate.
