

STOP

Adolescent Programme

The STOP Adolescent Programme provides assessment and intervention for adolescent males aged 12-18 years who are motivated to stop their harmful sexual behaviour.

The programme is community based and provides an individualised intervention that incorporates individual, group and family/whanau intervention.

How to Refer

Referrals are accepted from Child, Youth and Family, schools, health and community professionals, counsellors and the police.

Enquiries

Enquiries around referral suitability can be made by telephone or email. Please contact the Christchurch office, (contact details below) and you will be directed to the appropriate person.
