STOP Children's Programme

The Children's Programme provides assessment and intervention for primary and intermediate age children who have initiated and engaged in concerning sexualised behaviour.

The focus of the programme is to provide each child and their family/caregivers with a personal, effective, short term therapeutic intervention to best meet the needs of the child. The programme works closely alongside school and other professionals involved with the child and their family/whānau.

How to Refer

Referrals are accepted from Child, Youth and Family, schools, health and community professionals, counsellors and the police.

Enquiries

Enquiries around referral suitability can be made by telephone or email. Please contact the Christchurch office, (contact details below) and you will be directed to the appropriate person.
