STOP Children's Service

The Children's Service provides assessment and intervention for primary and intermediate age children who have initiated and engaged in concerning sexualised behaviour.

The focus of the service is to provide each child and their family/caregivers with an individualised, effective therapeutic intervention to best meet the needs of the child. The service works closely alongside school and other professions involved with the child and their family/whanau.

How to Refer

Referrals are accepted from Oranga Tamariki, Ministry for Vulnerable Children, schools, health and community professionals, counsellors and the Police.

Enquiries

Enquiries around referral suitability can be made by telephone or email. Please contact the Christchurch office, (contact details below) and you will be directed to the appropriate person.
