

Therapist / Clinician Invercargill

STOP is a specialist provider of high quality community-based intervention for children who have exhibited concerning sexualised behaviour. Our services make a difference in the lives of children and families.

STOP has achieved a reputation for staff professional development through high quality supervision, training opportunities and a positive and professionally stimulating work environment.

We are seeking to employ a highly motivated professional, 16-24 hours per week, in our Children's Service based in Invercargill. The role involves delivery of therapy with the child in the context of their family, supporting schools in managing sexualised behaviour and working with other community agencies involved with the child.

The successful applicant will have the following attributes, skills and experience:

- Be a passionate advocate for the safety and wellbeing of children
- Have proven therapeutic experience and skills in clinical work with children and families
- Experience in working alongside and supporting families in stressful situations
- Ability to work closely with the child's school and social systems
- A recognised qualification in child psychotherapy, psychology, counselling, family therapy or equivalent. Social workers with clinical experience are welcome to apply
- Have an understanding of trauma and attachment focused models of practice
- A commitment to being part of a supportive and dynamic interdisciplinary team
- Experience of working in the area of sexual abuse would be preferable

Applications for this position should include a cover letter, CV and any additional attachments and be sent to: traceyh@stop.org.nz

Applications will be processed as they are received.
