

Clinician/Psychologist

STOP Adolescent Service – Christchurch

STOP is a specialist provider of high quality community-based intervention services for adolescents who have engaged in harmful sexual behavior and STOP's service makes a difference in the lives of young people and families affected by sexual abuse.

We are seeking to employ a highly motivated professional for this part time (32 hours) or full-time position who will have:

- proven therapeutic experience and skills in clinical work with adolescents
- experience in working with families in stressful situations
- qualification in psychology, counseling, social work, family therapy or equivalent
- an ability to work collaboratively in a multi-disciplinary team and work professionally alongside other social service agencies
- some experience of working with issues related to trauma and attachment is preferable
- excellent communication, relationship and organisational skills and enjoys contributing to a strong and reflective team.

STOP has achieved a reputation for supportive staff development through high quality supervision and training opportunities and a positive and professionally stimulating work environment for employees.

Specialist training will be provided to the successful applicant.

Remuneration will be dependent on qualifications and experience.

Applications for this position should include a cover letter, CV and any additional attachments
