

Therapist/Clinician (2) **STOP Adult Service – Christchurch and Dunedin**

Stop is a specialist provider of high quality community-based assessment and treatment services that make a difference in the lives of people affected by harmful sexual behavior.

Stop is recruiting for two full-time roles in the Adult Service, one based in Dunedin and one in Christchurch. The positions will require the successful candidates to complete clinical assessments and deliver individual and group based programmes of intervention for males and females who have engaged in harmful sexual behaviour.

Our programmes incorporate a holistic approach which places critical focus on the importance of working with the individual in the context of their whanau and wider system. For the ideal candidates, the roles will also offer experience in programme development and evaluation, development and delivery of training packages and research opportunities. This is an excellent opportunity for a therapist/counsellor within a multi-disciplinary team working closely with professionals in other community and statutory agencies.

The ideal applicants will have:

- A qualification in Psychology, Social Work, Counselling or equivalent
- Experience in clinical assessment and intervention with adults
- The ability to work independently and systemically with families and support networks.
- Experience and skills in therapeutic work with adults with an intellectual disability would be an advantage.
- Knowledge of the dynamics of harmful sexual behaviours and modalities of interventions to address this behavior is preferable but not essential

Stop has achieved a reputation for supporting professional development through high quality supervision and training opportunities and provides a positive and professionally stimulating work environment for employees based around best practice.

This is an exciting opportunity to gain experience in a challenging and dynamic field of clinical work. Specialist training will be provided to the successful candidates.

Applications will be processed as they are received.

The logo for 'stop' is written in a large, lowercase, blue, sans-serif font. The letters are bold and have a slight shadow effect.
