

Therapist / Counsellor - Greymouth

Adolescent & Children's Service

Stop is a specialist provider of high-quality community-based assessment, prevention and early intervention services to adolescents who have engaged in harmful sexual behaviour and children who have engaged in concerning sexualised behaviour. Our service makes a difference in the lives of young people and whanau affected by sexual abuse.

We are currently recruiting for an experienced clinician to work from our Greymouth office and cover the wider West Coast providing services to both our children and adolescents on a part time basis. The successful applicant will be supported by an experienced Christchurch based clinician who will travel regularly over to Greymouth.

The role involves:

- Therapeutic assessment and intervention with Children and adolescents who have been referred for concerning or harmful sexual behaviour
- Supporting schools in managing safety
- Working with other community agencies involved to enhance outcomes

The successful applicant will:

- Have proven therapeutic experience and skills in clinical work with tamariki and rangatahi
- Experience in working with whanau in stressful situations
- Qualification in psychology, counselling, social work, family therapy or equivalent
- Some experience of working with issues related to trauma and attachment is preferable
- Excellent communication, relationship and organisational skills have the ability to work independently
- A valid driver's licence is essential

Stop provides a very supportive, professional work environment with competitive salaries and staff benefits. We have a positive and supportive work environment allowing staff to provide high-quality community-based intervention services.
