**OTHER SIGNIFICANT PERSONS**

The STOP assessment process involves collating information from a variety of relevant sources. There may therefore be other individuals besides family members whom it would be helpful for STOP to speak to as part of the assessment process. Examples of such people could include, close friends, an ex partner, a person who supervises access time with children or a counsellor or other professional. Please include details here of any such relevant people.

**SUPPORT PERSONS**

**Please note** that for the referred client to be eligible to commence treatment at the STOP Programme they must nominate at least one but preferably two or more support person/s who are considered by the STOP programme as appropriate. A support person needs to be in addition to the referrer.

“Support person” could be the referred client's partner (if appropriate), family member, friend, church person (pastor, minister, priest), mental health professional or other persons who would be willing to support the client throughout the entire treatment at the STOP Programme.
